

SRIJITA BISWAS

Software Developer | UI/UX Designer | AI/ML Enthusiast

+91 8961369543 srijitabiswas05@gmail.com [LinkedIn](#) | [GitHub](#) | [Portfolio](#) Kolkata

SUMMARY

Computer Science and Engineering student with experience in programming, frontend development, UI/UX design, and AI/ML integration, focused on building responsive and user-centric digital solutions.

PROJECTS & EXPERIENCE

Savor

Mar 2026 - Apr 2026

Decision-First Food Ordering App focused on user-friendly features.

- Built a decision-first food ordering app with budget filtering and curated results to improve user decision-making.

Cloud Innovation Challenge | Hackathon

Mar 2026 - Apr 2026

Developed **ZeroShield**, an AI-based safety application, by building frontend components and implementing user interactions.

- Contributed to product design, user flow planning, and prototype development, helping the team reach the Top 150 out of 1.4K+ participants.

Product Design Trainee | Employability.life

Dec 2025 - Jan 2026

UI/UX case study focusing on creating a functional rental platform.

- Conducted user research, wireframing, prototyping, and UI design to support product development.
- Designed **LuxeStay**, a dual-user rental platform, by creating user flows, system workflows, and feature architecture to improve user experience.

Wellness Personas of SNU

Nov 2025

Machine learning project focusing on user wellness classification.

- Devised a machine learning application classifying users into wellness personas with an interactive interface.

Status Code 2.0 | Hackathon

Aug 2025

Built **SplitX**, a smart group expense tracker mobile application, by implementing core features and user flows.

- Collaborated on problem-solving, rapid prototyping, and solution development within a team environment.

SKILLS & TOOLS

- Programming: C, C++, Java, Python, DSA
- Frontend: HTML, CSS, JavaScript, React.js, React Native, Tailwind CSS
- Database: MySQL, MongoDB
- AI/ML: Scikit-learn, NLP, TF-IDF, ML Basics
- Tools: GitHub, VS Code, Figma, Canva, Node.js (Basic), Streamlit, JSON
- Design: Wireframing, Prototyping, Responsive Design

EDUCATION

B.Tech in Computer Science Engineering

[Sister Nivedita University](#)

Aug 2023 - Jul 2027 | Kolkata

Science Stream

[Auxilium Convent School](#)

Apr 2009 - Mar 2023 | Bandel

CERTIFICATIONS

- National Cloud Innovation Challenge – National Finalist (Top 150) | 2026
- Google UX Design | 2026
- XPro Project | 2026
- Design Thinking: Insights to Inspiration | 2025
- Introduction to Artificial Intelligence | 2025
- Algorithms for Searching, Sorting, and Indexing | 2025
- Python for Data Science, AI & Development | 2025
- Introduction to Generative AI - Google Cloud | 2025
